- 7) Reaching hotel/Training venue from airport:
Kuala Lumpur International Airport (KLIA) is located about 50km to the southwest of Kuala Lumpur, in the Sepang district of Selangor. A new Low Cost Carrier Terminal (LCCT) is currently used by AirAsia, Tiger Airways, and Cebu Pacific.

The high-speed KLIA Ekspres links the airport directly with the KL Sentral transportation hub in Kuala Lumpur in 28mins. Trains run from 5am to 12 midnight. There is one train every 15mins between 5am and 9am, and between 4pm and 10pm; while trains run every 20mins outside those hours. The cost of a one-way ticket is RM35. Those using this service to get to KLIA can check in their baggage at the Kuala Lumpur City Air Terminal in KL Sentral.

Airport Coach runs a one hourly express bus between KL Sentral and KLIA from 5am to 10.30pm from Sentral, and 6.30am to 12.30am from KLIA. RM10 one way, or RM18 return. SkyBus runs direct services every half hour or so from KL Sentral to the LCCT. RM9 one-way. Aerobus also runs direct bus services every half hour from KL Sentral to the LCC Terminal. RM9 one-way, free return journey.

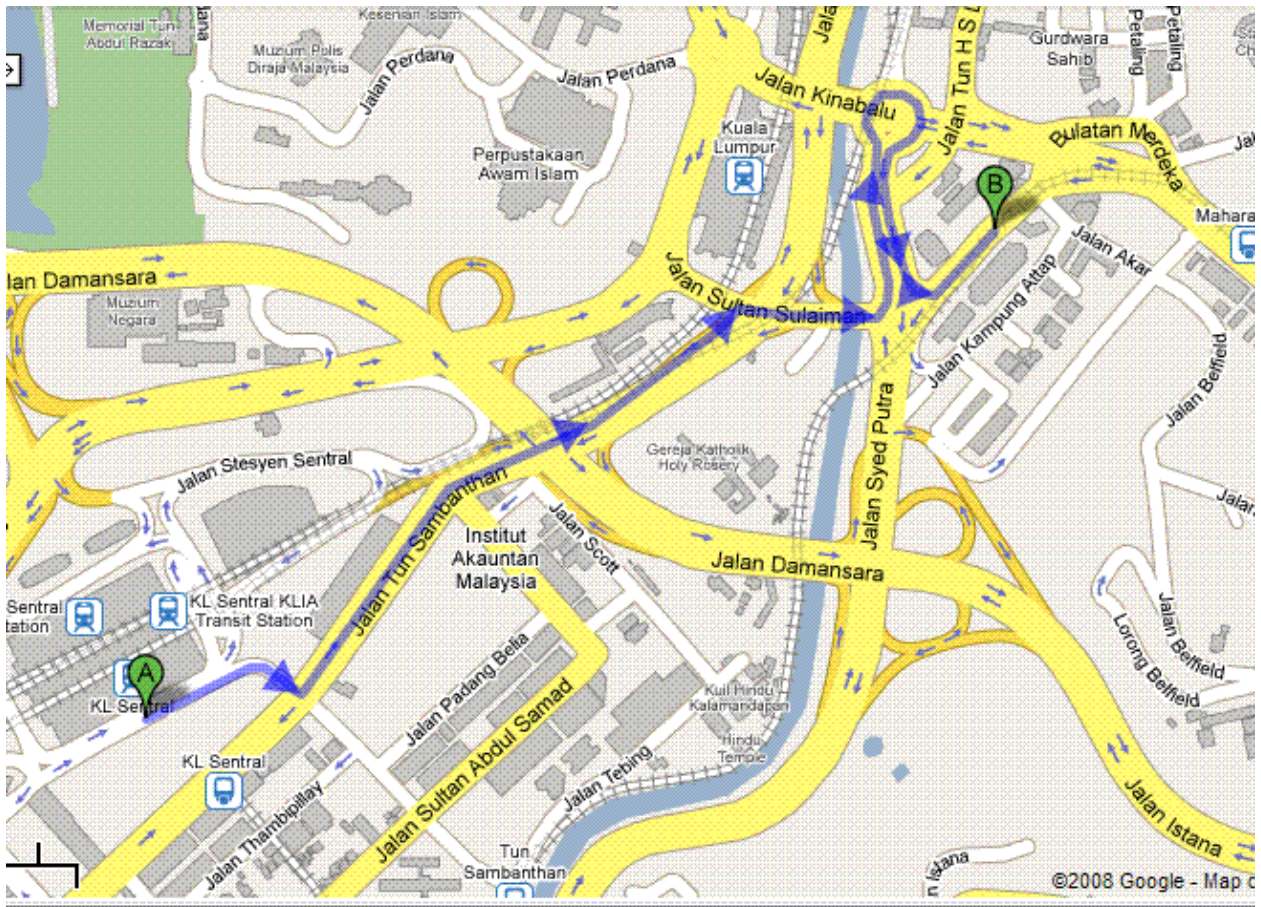

Taxis: Only Airport Limo limousines and budget taxis are allowed to pick up passengers at the airport. You buy coupons from Airport Limo counters just before you exit the international arrivals gate, or just outside the domestic arrivals gate. Ask for a budget taxi, which is perfectly fine and costs around RM65 to get to Kuala Lumpur; otherwise you'll be given a misnamed "limousine" that costs an extra RM20. If there is more than one person, it is probably cheaper to take a taxi directly to your destination, rather than going by train or bus.
